

## Kids Program Facilitator Job Description

**Position:** Kids Program Facilitator

**Updated:** September 2021

**Supervisor:** Kids Program Manager

### **Overview:**

The kids' programs facilitators will be responsible for checking children into our programs and overseeing various indoor activities. You will be working primarily with children 3yrs old- 6yrs old. In addition to overseeing indoor activities, the facilitators will also help children with bathroom needs, help to serve snacks and lunches, and will help children get dressed and undressed for their lesson. The kids' programs run on weekends, holidays (Not Christmas Day), and during both NH and MA school vacation weeks. Training to begin in November.

### **Essential Functions/Responsibilities (to include, but not limited to the following):**

- Must love working with children ages 3 yrs- 6 yrs old
- Must work well with others
- Schedule is flexible
- Basic computer knowledge a plus but not required
- All other duties as assigned.

### **What we expect of you:**

Care for children in a positive, professional manner and handle all interactions with family members in a timely way. Read the attached Job Hazard Assessment.

### **Requirements:**

- Light duty job.
- Background check.
- Minimal standing.
- Ability to work weekends and holidays.
- Work well with other team members.
- Wear uniform at all times while on duty.

### **What to expect from us:**

Generally, work schedules are six days per week. Schedules are influenced by weather conditions and guest attendance. Pats Peak provides uniforms shirts; you need to khaki pants. Employment for the season is usually from the beginning of December through the end of March. We offer free skiing, rentals and lessons (with supervisor approval); meal discounts and discounts in our retail shop.
